Dear Russ

**Re: Your presentation to the Salisbury Memorial Park Sub-Committee**

I would like to take this opportunity to thank you for your presentation to the Cemetery Sub Committee on July 10<sup>th</sup>. I regret that I was unable to attend on the night however, Councillors in attendance at the meeting reported to Councils Budget and Finance Committee last night on the quality and relevance of the presentation.

It was refreshing to hear your presentation described by one Elected Member as one of the best he had seen. The members have commended you on your detailed analysis, your obvious depth of knowledge and personable presentation of the issues. The analysis and research you have undertaken provides Council with valuable perspectives on how to manage and develop future cemetery services in our City.

I understand you will be presenting to the Informal Strategy meeting in August. I look forward to seeing you again at that time.

Once again, congratulations on the work you have completed for the City of Salisbury.

Yours sincerely
